Engineering Major Information Sessions
ENGRG 1050   •   Fall 2021

In order to complete ENGRG 1050 with a satisfactory grade, **all Engineering first-year students must attend at least two Major Information Sessions which have been scheduled (via zoom) during the weeks of September 13th-16th and September 20th-23rd (see the complete Major Information Sessions schedule)**

To receive credit, students must:

    (1) Attend (virtually) at least two Major Information Sessions

    (2) Complete and sign the following form

    (3) Submit the completed form to one of your Engineering Peer Advisors or your faculty advisor no later than **Friday, October 1st, 2021**.

****

Student's Name:_____

Cornell 7 Digit ID#:_____Cornell NetID:_____

I confirm that I attended the following Engineering Major Information Sessions:

Student's Signature:_____ Date:_____

****

Session #1: (List name of Session) _____

Date of Session #1:_____

Two things that I learned about this major are:

(1) _____

(2) _____
